A.%ITIM_HOME%\data\extensions\

B.%ITIM_HOME%\lib\remote_services\

C.%ITIM_HOME%\data\remote_resources\

D.%ITIM_HOME%\data\workflow_systemprocess\

Correct:C

11.Click the Exhibit button. In the exhibit, which environment variable should you set to install an agent profile using the config_remote_services.sh script?

A.DB_BASE

B.USER_LIB

C.ITIM_HOME

D.JAVA_HOME

Correct:D

12.Which three databases does IBM Tivoli Identity Manager (ITIM) V4.5 support? (Choose three.)

A.DB2

B.Oracle

C.Btrieve

D.MySQL

E.Sybase

F.SQL Server

Correct:A B F

13.IBM Tivoli Identity Manager (ITIM) comes with which default service types?

A.IDI DataFeed, Hosted Service, ITIM Service

B.DSML Identity Feed, Hosted Service, ITIM Service

C.LDIF Identity Feed, Windows NT Service, ITIM Service

D.DSMLv2 Identity Feed, DSML Service, enRole Service

Correct:B

14.What improves IBM Tivoli Identity Manager (ITIM) Server performance? (Choose three.)

A.the existence of a LISTDATA table

B.increasing the max ADD threadcount

C.adding Agent Profiles to the ITIM Server

D.LDAP and database indexes or optimizers

E.adding a local queue to the MQ Series Queue Manager

F.Application Server, database, and LDAP memory settings

Correct:A D F
