Exam : Odoo-v17

Title : Odoo Certification v17

Version : DEMO

1.Which of the following views doesn't allow you to produce a multi-level group?

- A. The Kanban view
- B. The list view
- C. The graph view

Answer: A

2.When printing a quote, how does Odoo determine which language to use?

- A. "The language defined on the current user's preferences"
- B. The language defined on the customer record
- C. The language defined by the company of the user

Answer: B

3.What does the small icon on the right side of the field below mean?

The screenshot shows the Odoo product form for 'Acoustic Bloc Screens'. At the top, there's a header with a 'New' button, a back arrow, the product name '[FURN_6666] Acoustic Bloc Screens', and a '1 / 74' indicator. Below this is a bar with 'Extra Prices' (0), 'Go to Website' (green arrow), 'On Hand' (13.00 Units), and a 'More' button. A green 'Action' button is on the left. The main section shows 'Product Name' with a star icon and 'Acoustic Bloc Screens'. To the right is a product image. Below the name are two checked checkboxes: 'Can be Sold' and 'Can be Purchased'. A red box highlights the 'EN' language field, with a red arrow pointing to it. Below this is a tabbed interface with 'General Information', 'Attributes & Variants', 'Sales', 'Purchase', and 'Inventory'. The 'General Information' tab is active, showing 'Product Type' as 'Storable Product', 'Invoicing Policy' as 'Delivered quantities', and 'Sales Price' as '\$295.00' (with a note '(- \$ 339.25 Incl. Taxes)').

- A. It's a translatable field that we can change the value of, according to the set language
- B. It's a many2one field to create a relationship with another record
- C. It's a field that allows you to specify a regular expression that the value must match (a constraint)

Answer: A

4. What needs to be done to reset a broken email template back to the original template?

- A. It's not possible to fix an email template without going into the technical menu and deleting the template and upgrading the module
- B. Go to General Settings, click 'Review All Templates,' open the email template form, and click on 'Reset Template'
- C. Contact Odoo support to restore broken templates

Answer: B

5.What is the difference between a message/discussion and a log note in the chatter?

- A. A message/discussion is sent to the customer and notifies all the followers, whereas a log note is only seen in the chatter by internal users or via @ mentions
- B. Messages/discussions are sent to customers via email from Odoo while log notes are only sent via Odoo internal notifications to customers
- C. There is no difference between a message/discussion and a log note in Odoo

Answer: A
